Haven't posted anything in a while, enjoy!

"Hey, let's go to that one!" James points at roller coaster. I nod and smile. Don't even ask me what had happened that he agreed to go out with me.
...Okay, he's drunk.

"Excuse me, but you have to be 1.70m or more to go on this ride"

"What the fock? I'm 22!" I yell.

"And I'm the Queen of England. Just go away brat." In seconds the worker is knocked out to the ground.

"James, what did you do?" I ask as I realize who punched this man.

"No one ever insults my date and gets away with it."
